Coming April 2012

Our mission is to save lives through raising awareness and instilling accountability to ALWAYS WEAR YOUR SEATBELT In loving memory of Laura Grant and Eddie Culberhouse

5,000 teens die annually in automobile related accidents. It is the number one cause of death among this age group. A major factor in this statistic is that only 38% of teens wear their seat belts. Not wearing a seatbelt during an accident makes you 30 times more likely to be ejected from the vehicle.

These statistics became our reality on Sunday, February 6, 2011 when six of our beloved teenagers were on their way to New Smyrna Beach. A tragic automobile accident took the lives of 17 year old Laura Grant and her 19 year old boyfriend, Eddie Culberhouse. The accident severely injured two of the other teens and left two more suffering with minor injuries.

The mission of the Foundation is to save lives through raising awareness and instilling accountability to ALWAYS WEAR YOUR SEATBELT if not for yourself, for Laura and Eddie. Our goal is to bring this message to teens in such a way that they will NEVER forget to buckle up.

Due to the impact these two young individuals have had in the Central Florida Community, the Foundation has established four educational scholarships for graduating seniors. Two scholarships are awarded at William R. Boone High School where Eddie graduated in 2009 and where Laura was to graduate in June 2011 and two scholarships are awarded at Cornerstone Charter Academy, where Laura's sister attends.

Contact mcasey@cornerstonecharter.com for information regarding the scholarships

Tax deductible donations may be made to the Always Wear Your Seat Foundation at Old Florida National Bank, 60 N. Court Avenue, Orlando, FL. 32801, or P. O. Box 568013, OrlandoFL32856.
