Ducks Football Going Swimmingly in 2011

The Cornerstone Ducks Football program 1st game of year is Friday Night, September 2, at Life Christian Academy (Kissimee) at 7:00 p.m. Our Ducks hold a 1-0 exhibition record with an 8-6 victory last spring. The Ducks are led by senior FB/LB Sal Raitano, who will ground out yardage in the classic Wing-T formation and will be joined in the backfield by James "Speedy" Goodrich, Caleb Williams, and Hakeem Dickson. QB for the Ducks will be Cameron Aimes and leading our wide receivers group is Mark Nagle, Chris Torres, and Tight End Kendall Rowe. Protecting our QB will be brothers Joel and Cristian Matos on the offensive line. Williams, Raitano, and Dickson will be the backbone of the defense along with seniors Gio Aldea and Eddie Marrero and junior Demonte Nelson. The Ducks will, "...play with discipline," after a tough off-season program and fall camp.

Our team of 25 players will be lead by Head Coach Viera teamed up with a great staff of Assistants who include Coach Martinez, Coach Dottavio, Coach Webster, Coach Joiner. We have a challenging schedule ahead of us this year and the Coaching Staff believes 2011 will be the year we set a precedent of winning here at CCA. Cornerstone Loves Recycling!

At lunch each day, our helpful parent volunteers collect empty **Capri Sun** packets.

These are kept out of the landfills by recycling AND bring in money for the school!

We also collect **ink cartridges** and **soda pop tops!**

If you use these items, but don't recycle, bring them in to the Volunteer Office and let Cornerstone's Recycle queens do the work!

What is the PTSA Grant Writing Committee?

The Grant Writing Committee's objective is to obtain much needed funding for projects, equipment, areas, etc. that have been identified by teachers and staff and approved by the administration and the PTSA. We will accomplish this by applying to various foundations and corporations for financial support throughout the year.

We are very excited to help our school become the best it can be and would appreciate any assistance you can offer. We will need volunteers throughout the year, so as much (or little) time as you can donate would be very valuable! The more grants we can submit, the better our chances of reaching our funding goals! **Much of the volunteer time our committee needs can be done at home** and/or at your convenience with requests such as proof reading and research.

Please keep the Grant Writing Committee in mind when you have time to volunteer! **Can you think of an easier way to get your 30 volunteer hours complete?**
