PTSA ANNOUNCEMENTS

GENERAL MEMBERSHIP MEETING RECAP

The Cornerstone Charter Academy PTSA is off to a great start this school year with 354 members and counting. Our first meeting on Tuesday September 20, 2011 had nearly 10% of membership present and the budget for the school year was approved. Since approving the budget we have worked with our Media Specialist Sophie Taylor to order nearly 200 new books for the library (Sunshine State, Non-Fiction titles in Math and Science and more). The STAR reading program was also ordered which will allow our teachers to evaluate the AR reading level your child is currently on and will provide goals for reading throughout the school year. The next purchase will be to buy supplies for our teacher's workroom to make many of their tasks in the classroom more efficient with a laminating machine, die cutter and rolls and rolls of craft paper. We will continue to work with the other departments (Art, PE, Music and Drama) to assist them in making purchases to get their departments equipped with much needed supplies.

Chess Club

will be returning soon!

The official start date is still unknown, as we have to wait for our boards to arrive. (Many thanks to Stacy Miller for purchasing them for us!) When we begin, we will be meeting Tuesday afternoons, from 2:45-3:45, in the Media Center. I will post the official start date in the Chronicle once the boards arrive.

There is no need to sign up or apply for Chess Club. If you want to play, all you have to do is show up. We welcome all levels of skills. If you don't know how to play, we'll be glad to teach you.

If you have any questions, feel free to [contact me](#).
